THE FUTURE OF CAMPUS; LESS CORPORATE & MORE CAMPUS

An inspired campus ignites innovation and collaboration. It causes people to love where they work. It creates loyalty, productivity, job satisfaction and well-being.

We'll help you create your own flexible campus at SEVENTY 55 to endow a contemporary identity for your company and attract the best workforce. We're offering two build-to-suit options for a branded campus on Columbia Gateway's premier site overlooking I-95 that push the boundaries for corporate offices. Each offers a distinct experience, yet both are amenity-filled, urban-influenced and well connected.
